The meeting started at 1:00pm with an opening prayer by the Director, Internal Audit.

2.0 INTRODUCTION/PREAMBLE

The Chairman appreciated the Technical Evaluation Committee members for the efforts put in to the job done on time despite all odds. His greatest appreciation went to both Mr. Dauda John Karik (Principal Planning Officer) and Engr. Bode Soyinka (Principal Technical Officer) who worked day and night to ensure that the evaluation was completed. He informed members that at the close of the advertisement on 31st August 2017, the Technical Bids were opened and evaluated thereafter. On 2nd November, 2017, the Financial Bids of the successful bidders was opened while the financial bids of the unsuccessful bidders were returned unopened. The bidders and external observers were invited to witness the financial bid opening ceremony.

The report of the evaluation was considered at the meeting and the following recommendations were made to the Procurement Planning Committee on Lot by Lot basis:
