**Feedback to the fulfilment of conditions in the accreditation processes „Cluster Food Production“ and “Cluster Agriculture”**

Dear Professor Akinyemi,

Federal University of Agriculture Abeokuta handed in the document to give evidence on the fulfilment of conditions in the above-mentioned accreditation procedures.

The experts assessed the documents a second time and gave us a feedback on it. Our Standing Commission has decided in it's meeting at 3 September 2020 that the conditions for all study programmes in the accreditation procedures “Cluster Food Production” and “Cluster Agriculture” have been fulfilled now.

If you have any further questions, please do not hesitate to contact us.

Yours sincerely
